

# The Prism Collection

Siding: Single 6" Traditional Lap Siding in Sapphire Blue;  
Roofing: Infiniti Textured Shake Granite Gray Enhanced Roofing;  
Sidewall: Vertical 12" Board and Batten Sapphire Blue

## Elevating the Beauty of your Home with Style and Quality.

The Prism Collection, another industry first from EDCO, is a unique steel siding that provides a natural wood-grain texture combined with rich, elegant colors and a subtle hint of mist. It offers exceptional beauty that will last a lifetime.

### What Makes the Prism Collection Unique?

- **Pristine Finish** – Based on our proprietary ENTEX finish, Prism’s rich colors and subtle hint of mist are unmatched in the industry.
- **Durability** – It will not chip, crack or peel.
- **Color-Coordinated Accessories** – A full-line of color-coordinated accessories are available to complete the look of your home or business.
- **Virtually Maintenance-Free** – The technological advancement of Prism offers long-term color retention which means you will never paint again.
- **Unmatched Warranty** – 35-year fade protection and a lifetime, non-prorated limited warranty that includes material and labor.

Available in Single 6" traditional lap siding, as well as Vertical 12" Board & Batten and a full-line of color-coordinated accessories.
