

**EDCO** introduces...

# entex™

**Permanent Home Exterior Performance**

**EDCO** is proud to introduce **entex**, our proprietary exterior siding finish, offering innovative advances in coating technology for years of added value. Entex's matte finish is enhanced with DuPont™ Teflon® surface protector.

- DuPont™ Teflon® surface protector further minimizes maintenance
- Energy Star compliant DuraCOOL infrared reflective pigments
- Unsurpassed Lifetime Warranty with 35 year fade protection
- Color coordinated soffit and gutter systems
- Embedded nylon fibers for durability
- 10 new low-gloss designer colors

**EDCO** has always been your trusted partner in new construction and remodeling. Try **entex** on your next project.

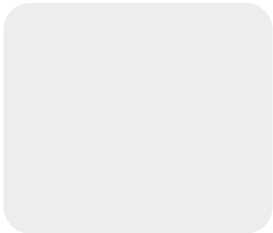

Creating Permanent Exteriors Since 1946
