Why Specify Steel Siding or Roofing?

Style and Quality that Lasts a Lifetime

Unmatched Lifetime Warranty

 Our roofing and siding offer a lifetime, non-prorated limited warranty that includes material and labor.

Durable

The durability of our materials result in no chipping, peeling or flaking.

Proprietary Finish for Siding

 Utilizes the ENTEX cool chemistry paint technology which won't chip, crack or peel, and can also reduce energy costs.

Distinctive Style

 Achieve a stunning, natural look with our Enduragrain embossed siding.

Clean Appearance

 Steel siding can be installed without nail heads exposed to the outside of your home. In addition, seams are lapped.

Safe to Use

When cutting steel panels, contractors are not required to wear respirators to reduce dust exposure.

Fire Safety

Steel siding is non-combustible which will help reduce the possibility of fire.

Virtually Maintenance-Free

Consistent look with 30-40-year fade warranty, depending on the product.
